## MEN ARE HELPLESS AS CHILDREN

When Taken Suddenly Ill—Here is a Common-sense Safeguard

Big, strong man is as a helpless infant when he is suddenly ill.

The sturdiest chap in town usually loses his self-control, and is utterly unable to regard his condition with the common sense that characterizes his every-day actions.

For example—He comes home tired, eats a heavy dinner and sits down to read and smoke away a quiet evening.

Suddenly he notices a weight on his stomach; then sharp pains around his heart, and a feeling of suffocation. Thoughts of "heart disease" rush over him, and in his agony he fears the worst.

His trouble was acute indigestion, brought on by overloading his tired stomach.

A couple of Rexall Dyspepsia Tablets might have given him relief—might have saved him hours of suffering.

Carry a package of Rexall Dyspepsia Tablets in your vest pocket and keep them in your room. Take one after each heavy meal, and ward off indigestion.

Rexall Dyspepsia Tablets relieve stomach troubles by aiding nature to supply those elements, the absence of which in the gastric juices, causes indigestion and dyspepsia. They tend to aid the stomach to digest all kinds of food and to quickly convert it into rich red blood.

We know what Rexall Dyspepsia Tablets are and what they will do. We guarantee them to relieve indigestion and dyspepsia. If they fail, we will refund your money.

Three sizes, 25 cents, 50 cents, and \$1.00. Sold only at our stores or by mail. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store. A. H. Cox & Company.
